Clare Boothe Luce Scholars program application form

To support women who will major in one or more of the following fields: Astronomy, Computer Science, Geosciences, Mathematics, Statistics, Physics

Please return this form as well as the department-specific supplement(s) to:
Alicia Romac (BSC 189, Alicia.Romac@williams.edu)
by 4 PM, Wed. Feb 11th.

Questions? Contact any of the CBL program departmental representatives:
Astro: Prof. Karen Kwitter
Comp. Sci.: Prof. Andrea Danyluk, CBL program co-director
Geos: Prof. Phoebe Cohen
Math/Stat: Prof. Susan Loepp
Physics: Prof. Tiku Majumder, CBL program co-director

Your Name: _______________________________

☐ I am a US citizen

Directions: Please fill out this form, answering all questions succinctly but thoughtfully. Also make sure you read the accompanying document(s) on the CBL webpage for the department(s) of interest to you, and if relevant, complete any supplementary departmental document(s).

I plan to apply through the following department(s): ___________________________

1. Please list courses you have taken (and intend to take this spring) in the relevant departments (Astro, CS, Geos, Math/Stat, Phys).

2. What is(are) your intended major(s) – [note that all CBL scholars must declare a major in one of the identified departments.]
3. Describe your research interests, past research experience (if any; not required!), and comment on your long-term goals with regard to thesis work, and post-graduate activities.

4. How would being awarded a CBL scholarship help you achieve these goals?

*Don’t forget to read department-specific notes (see webpage)!!*
